Next Saturday, my family is meeting at my grandparents' bungalow in the countryside. My aunt Derya is a chemist. She usually works at a chemist's, but she isn't working on Saturday. My uncle Can is an engineer. He designs buildings. They are bringing my cousins, Deniz and Elif.

The train leaves at 09:20 and arrives at 10:05. We are having lunch at 12:30. Our grandparents have a guest room, so Derya and her family aren't staying at a hotel. My dad, Murat, is a mechanic. He is going to fix a chair in the garage. Mum is a journalist, but she won't write news stories during the visit.

While Dad is fixing the chair, my cousins and I are going to prepare lemonade on the patio. When everyone is ready, we are going to take a family photo. I think Grandma will love it. On Sunday, we are visiting the seaside before we go home.
