C	A	B	B	D	B	A	A	C	A

SHORT EXPLANATIONS

1 • C	Picture I shows someone telling the truth. Picture III shows someone sharing lunch.
2 • A	Both friends enjoy drawing, and Duru keeps a secret and returns the pencils on time. Statements I and II are supported.
3 • B	Reliable is 50%. Half of the students choose a friend who keeps promises.
4 • B	Bora replies by 23 May and brings one friend. A brings two people, C replies late, and D comes alone.
5 • D	Ada is busy. Bora is free but wants a different activity. Cem accepts and offers to bring food.
6 • B	Mina and Lara change their study time to 3–5 p.m. Lara can come at two but must leave before three.
7 • A	Cinema has 15 votes in total; chess has 14, walking has 13 and studying has 12. Walking is first in Class 8B with 9 votes.
8 • A	Only A records both orders correctly: Ela has chicken, orange juice and no dessert; Mert has soup, lemonade and chocolate cake.
9 • C	Ece keeps her promise to help Ada today. She suggests board games tomorrow and includes Ada, as her note requires.
10 • A	Both enjoy chess and lemonade, shown in the shared area. The 40 TL plan is within each person's 45 TL budget.
